4th October 2018

Dear Parent / Carer

In Blue class, we are taking part in a new initiative called 'Talk Boost', which we hope will enable our children to become more confident in speaking, vocabulary use and confidence.

Talk Boost will take place during the school week with opportunities for small groups of students to work with an adult, as well as a whole class weekly activity. It will run in eight week blocks. Our plan is that as many children as possible benefit from this throughout the school year.

There will be one piece of weekly homework for all pupils in Blue class over each eight-week period. Please could you encourage your child in the completion of this?

Thank you for your continued support,

Mrs Eden

Class Teacher
