

## Year 4 Indigo Homework Challenges Summer

Below are your brand new Homework challenges! Remember:

- You may do these adventure tasks in any order;
- If you do not understand what to do- ask for help!
- If you find a task difficult, for whatever reason, ask for help!
- Have fun!

**Create a poster** advertising a train trip to Matlock from Draycott. Make it bright and colourful- remember it is important to tell people when the trip is taking place and what you can do when you are there, the times of the train and the fares.

**Research games and hobbies** that Victorian children might have enjoyed. Present your information in any way you like...make a game, write the instructions, draw a diagram, create a poster... the choice is yours!

Find a **Music Hall song**, listen to it and rewrite the words in your best handwriting. Decorate the lyrics using typical decorations from the Victorian era.

**Draw a local Victorian building.** How do you know it is Victorian? What features does the building have? What can you find out about its past? (There is a very large well-known Victorian building in the center of Draycott)

What skills did Victorians have? **Try your hand at** knitting, sewing a sampler, charcoal sketches or darning... share your achievements!

Don't forget to learn your weekly spellings. You also need to aim to read on a daily basis; make sure you get your Home School Records signed! Do keep practising your times tables on TTRockstars, or make up your own quizzes! In addition, complete weekly tasks on Mathletics to support your learning in class.
